The kids will have lots to eat including Pizza, soft drink, snacks on the table and our staff will *set up and clean up* Madfun too.

There's a great atmosphere at Madfun with incredible sound and lighting, smoke machine a huge dancefloor and *your own DJ* too.

We have *6 microphones for Karaoke*, your hire price also includes a *Face and Arm design painter* who paint funky designs for your daughter and her friends.

You can provide pics on a USB and *we will run your slideshow on our big screens too*

We supply invites and email them to you too so you just fill out the guest names

At the end of the party you can *leave us to clean up the mess* - too easy
