

MADFUN PARTIES ARE FUN AND EASY FOR EVERYONE

Your Madfun party is designed to be **fun**, **easy** and **stress free**. We supply almost everything except the cake and the kids, so you can relax and know we'll have it covered.

We make booking and inviting your guests easy too by providing **free prefilled invites** to your email and phone that include **all the details for the day** in a great looking VIP invitation.

If your child is 6 years old, but wants to do things 16 year olds do, then Madfun is perfect. Madfun is an adult equipped disco but made just so kids can feel like grownups.

That's why Madfun is not part of a play centre or a multipurpose room dressed up for the day. All the facilities are permanently built and designed just for **Private Children's Birthday Parties**.

The Face Painting stations, Craft Stations, Disco Dance Floor, Laser Lights, Big Screen Projectors, Smoke Machines and fully equipped Audio-Visual Booth, complete with your own personal **DJ**, are there just for your party.

We make sure every child has enough to eat, enough to drink and that your birthday child feels special and happy. Our team are naturally caring and kind and we are incredibly proud of them because we see the joy they bring to our birthday kids every weekend.

Every party is special and every package we provide is great value for money

ALL MADFUN PRIVATE PARTY PRICES INCLUDE:
